Facilitating Positive Change

The Seven Laws of Leadership

Are you an exceptional leader? Can you move beyond the role of directive manager to the collaborative role of facilitator? Do you know the steps you need to take to have true success as a leader?

Learn how to sharpen your coaching skills and embrace a positive attitude toward change. The seven laws of leadership are a culmination of over 100 interviews, seeking the common principles used by some of today's top leaders.

Participants will develop skills in:

- Capitalizing on diversity
- Embracing and creating change
- Motivating effectively
- Establishing a personal game plan for success
- Visualizing and affirming goals

Over the past 15 years you have provided leadership development, training, and coaching with various departments including our recent leadership academy. We continue to make use of the skills you and your team have taught us. Your professional skills and personable style always makes working with you a pleasure.
