Building Better Teams

Do you have a diverse group of individuals that need to work together for common goals? Are you having challenges building trust and keeping them motivated?

This workshop helps you build better teams using practical tools, communication tips, and models that support diverse individuals to work cohesively and productively.

Participants will learn to:

- Build synergy and trust
- Align team values and expectations
- Capitalize on diverse styles
- Manage team conflicts
- Facilitate and motivate others through change
- Understand the stages of teams
- Establish problem solving models
- Design ground rules that really work

Our team building workshop was a great success thanks to the work of Dr. Manning and The Consulting Team. We were able to accomplish all of our goals, build upon our teamwork and unity as a group and complete the framework for a strategic plan. Marilyn took the time to develop an outstanding game plan for our workshop and she sticks to it. There was no wasted time and we all left the workshop with a feeling of accomplishment and pride in what we had developed during our time together.
